About the Venue

Painted Lakes provides stunning weddings no matter what the Texas weather dishes out. The wedding barn is located on top of a hill overlooking a lake at the foot of the hill with lights and a romantic atmosphere. The Tumbleweed Barn was built in 1927 and was historically The Feed Store in Bryson, and it has a 3,000 sq ft room with windows adjoining it called the Sun Room. The Sun Room is perfect for dancing or you can move your wedding inside in case of inclement weather. The property is situated on 500 beautiful acres outside of Bryson, Texas near Possum Kingdom and Graham with lots of old oak trees and gorgeous terrain.

PLR is set up as a destination wedding site where our wedding parties can stay onsite with additional cabins available for parents, grandparents, or additional guests. Our weekend wedding package offer the option to lodge up to 30 guests onsite and enjoy the weekend instead of stressing to crunch the wedding into one day. Our cabins are unique and setup as an old West storefront, and there are fire pits, fishing, games (such as corn hole, frisbee golf, sand volleyball, horseshoes) and even a playground.

Enjoy the peace of a country wedding, with no limitations on noise and lots of flexibility. PLR requires in-house bartending and security as well as event insurance along with an open vendor policy. The Full Wedding Packages include what you need to host your guests, including bartender, security and wedding insurance, so you really just need a Day of Coordinator and your vendors.

Guests are NOT permitted to bring coolers or BYOB. You can choose any licensed caterer or use our preferred vendors list. We can also provide a quote for an all-inclusive wedding where you choose what vendors you want us to provide.

PLR has numerous options available including an in-house wedding coordinator to make your day run smoothly.

Our packages are designed to provide various levels of service. We offer a lower cost DIY option and you can upgrade all the way to all-inclusive and have us do everything for you. We are very versatile!

PLR requires a \$1,000 deposit to book your date, and we divide the remaining balance out so you make monthly payments so your big day is paid off 90 days prior to your wedding date. If you are doing a date that

is not far out, we work with you to see what works for both parties. Your contract and payments can all be done online.
